2023 ANNUAL ENROLLMENT

Annual enrollment for the 2023 plan year begins October 1, 2022 and runs through November 15, 2022. Members can visit the OGB Annual Enrollment website for more information on their 2023 plan year benefits at annualenrollment.groupbenefits.org. Copies of the Annual Enrollment guide, benefit comparisons, rates and information from our vendors are available on the annual enrollment website. Additionally, all annual enrollment videos are available on the OGB YouTube channel.

IMPORTANT: If a member would like to remain in their current OGB health plan with the same covered dependents for the 2023 plan year, they do not need to do anything. Their coverage will continue for the 2023 plan year. (Members enrolled in the HSA and/or FSA options MUST update their contributions for 2023.)

If you are interested in health coverage, please make an appointment with Insurance Specialist, Ericka Cleveland via email at ericka.cleveland@mcschools.net.
