

Disaster Recovery Workshop in Louisiana

The Southwest Center for Pediatric Environmental Health (SWCPEH) and Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) is proud to sponsor a Disaster Recovery Workshop in Louisiana. This educational series will take place virtually from November 2020 to February 2021. These sessions are for parents, teachers, health care providers, maintenance staff, and community members. A certificate of attendance will be given to every registered participant who attends the entire session. The certificate of attendance may be used to count towards your professional development.

The sessions will cover the following topics:

Session 1—Saturday, November 14, 2020 @ 11:00 a.m. (CST)
Environmental Health Conditions in the Home & School; Hazards Associated with Flooding

Session 2—Saturday, December 12, 2020 @ 11:00 a.m. (CST)
Children’s Health Risks Associated with Flooding

Session 3—Saturday, January 23, 2021 @ 11:00 a.m. (CST)
Children’s Emotional Health and Natural Disasters

Session 4—Saturday, February 6, 2021 @ 11:00 a.m. (CST)
Panel of Community Experts on Pediatric Environmental Health and Natural Disasters

To register for session one, go to the following link or use the QR code provided:
